

Alvin Law, CSP, HoF

## **Introduction: General Audience**

Our speaker has asked that I begin his introduction with a question; "What would your own personal introduction say?" For speakers, it's an every day event and for this speaker, an every day challenge. In fact, he rather dislikes introductions because he believes they tend to be an exercise in ego, yet they offer an opportunity to build credibility. So here it is, short and sweet.

Alvin has spent 36 years on stage encouraging people to strive for their best, no matter what the circumstance of their lives give them. He has spoken on five continents and is a member of the Canadian Professional Speakers Hall of Fame. He has a best selling book, "Alvin's Law's of Life" and his list of awards and achievements are truly lengthy.

What he is most proud of is since 1976, he has played a direct role in raising over Two Hundred Million Dollars for charity!

He is the real deal. Ladies and Gentlemen...Alvin Law!
